## ADVANCED TREATMENT TECHNOLOGIES FOR WATER AND WASTE WATER

DECEMBER 16<sup>th</sup> 2022

### Completion Report

The department of civil engineering and the department of agricultural engineering organized the faculty development programme on "Advanced Treatment Technologies for Water and Waste Water" from December 12<sup>th</sup> 2022 to December 16<sup>th</sup> 2022. During this session of programme on Advanced Treatment Technologies for Water and Waste Water, the participants were given exposure on various topics regarding sources of water and waste water, primary treatment process, secondary treatment process, filtration process, advanced techniques in treatment, various chemicals for treatment. All the sessions were so informative and clearly explained each and every topic.
