Career Guidance, Training, Placement

Career guidance programme and motivational lectures by alumni, guests and faculty are organized for students to develop their career and life skills.

Availability of career guidance facilities

Institute has a **Center for Training & Placement**. The Placement officer and his team are actively involved in planning and execution of training programme, campus recruitment and Industry-Institute and relationship activities. An all-round training of students in the domain of aptitude, communication, technical skills, soft-skills, etc., has resulted in successful placement of the students. The training for placement is conducted by allocating hours in the class time table. The training programmes are conducted using internal trainers and external trainers.
