## ENVIRONMENT DAY

- All living things that live on this earth come under the environment.
- The World Environment Day is observed every year on 5th June.
- This day creates a platform to raise awareness among the students to face of problems such as air, water and noise pollution.
- In our college we take some strict initiatives like prohibition of plastics in our campus, try to reuse things, not throw garbage etc.
- The slogan for 2022 Environment day was "Think green and Be green".

## INTERNATIONAL YOGA DAY

- The International Day of Yoga has been celebrated across the world annually on June 21 since 2015.
- The intention of this day is to spread awareness about the physical, emotional and spiritual benefits of practicing yoga.
- Yoga aids in the regulations of one's mind, body and spirit. It combines physical and behavioral disciplines to promote a peaceful body and mind. It aids in stress management and relaxation.

## POLLUTION CONTROL DAY

- Environment pollution control day celebrated at every year 2<sup>nd</sup> December to spread awareness about the problem caused by increasing pollution.
- The day aims to bring awareness about the fatalities caused due to polluted water, land, and air.
- Nowadays the problem of pollution is increasing day by day and it is the duty of the respective government and also the people to reduce the level of pollution. We should generate awareness to students and plant more number of trees to control pollution.
