Best Practice -1: Placements and Industry Relations

Objective of the Practice:

A bridging partner in continuous engagement of industry and institution. Identify and bring in international linkages at multiple levels of engagement such as education, training and placements.

The Context:

VSB Placement cell continuously interacts with the corporate and students for their final placements. It also initiates corporate consultancy with industry and academics.

Evidence of Success:

Students are exposed to industrial expectations to focus on the real time skill set.

Problems Encountered and resources required:

Interface with leading industries is a mighty task.

Vision

Equipping the students with relevant and conceptualized professional skills and guiding them towards a bright future and career all around the world with the values of – Sincerity, Hard Work and Justice.

Mission

To achieve 100% placement for students through dedication, attitude and complete involvement is our mission. Training and Placement Cell arranges and coordinates various programmes that aim at moulding the students so as to meet the industry expectations in career building and in turn bring laurels to the parent institution.
